ABOUT OUR BOOK CLUB

The Justice For Jenny Foundation, Inc. welcomes you to our book club, where we will read and discuss books about Domestic Violence, Intimate Partner Violence, or other topics and books of interest. We will hold virtual meetings for reading and discussing these books together, and sharing input. This is all in the hopes of expanding on the foundation mission to raise awareness about Domestic Violence through education. Please join us in our mission. Let's read, learn and discuss together. We look forward to seeing you there!
