## Offerings

# WE ARE OFFERING 2 COURSES TO START AS BELOW:

MORE COURSES TO BE ADDED

These are FREE ESL, Civics and Citizenship classes for the community. We encourage you to take both courses, even if you don't plan to take the citizenship test.

Although we are offering the 2 courses mentioned here, we plan on expanding the program based on need.

**CLASSES ARE 100% ONLINE**

Classes will be 100% online to start. As we expand the program, we will provide in-person learning.

Materials for the online classes will be accessed online through an online learning platform called, **Canvas**. Students will also get a student account on **ellii.com**, after registering for the classes.

### FILL OUT THE INTAKE FORM ONLINE

If you are interested in either or both of the classes, go to the below link to find the online intake form, or visit the website link on the first page of this brochure.

## I. **ESL COURSE:**

### **LIVING IN ENGLISH**

This program helps English language learners to use vocabulary, phrases, and basic grammar to communicate in every day life in the United States.

## 2. **CIVICS COURSE**

### **AMERICAN CITIZENSHIP**

This course is designed for ESL learners who plan on becoming American citizens. It prepares students for the American citizenship test by exploring vocabulary and expressions and key questions required for the test.
